SURFORMA®'s Sandwich Panels

SURFORMA® is a Sonae Indústria brand, which has been innovating and leading the industry for more than 60 years. SURFORMA® produces laminates and compacts mainly for furniture, construction and interior design industries.

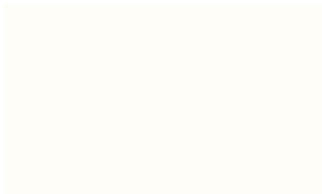

SURFORMA®'s Sandwich Panels are woodbased panels, surfaced on both sides by SURFORMA®'s decorative laminates, making it possible for the client to decrease the time and effort usually spent producing the material.

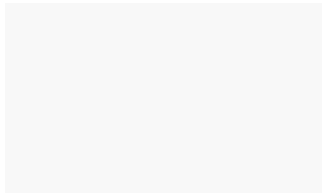

A commitment to quality without any effort. SURFORMA® is committed to innovation and develops the new Sandwich Panels.
